## School Account Balances

Please can we remind parents that payment for school dinners and breakfast club should be made in advance or on the day.

Music tuition invoices for outstanding balances will be sent home this week.

We would be grateful if payment is made no later than Monday 3<sup>rd</sup> June.

## Non-Uniform

On **21<sup>st</sup> June**, we'll be holding a non-uniform day in return for donations towards our FOSM summer fun day. However, **Y6** have an important event that day and will need to come in their uniform anyway.

Be inspired!  
Watch our  
video on  
our website!

## Classes for next year

\* We'll soon start the process of organising classes for September. Much time is put into putting together the new class lists. Over the next few weeks, the children will be asked which friends they would like to be with so that we can take this into consideration. Please remember, we know your child very well, and how they interact with the other children in the year group. Any parental requests can't be guaranteed. Thank you for your understanding.

On Friday 5<sup>th</sup> July, we hold our transition day. Children will find out their new classes then, and spend a couple hours that day with their new teacher and class. We have found this reduces anxieties for all!

## FOSM – Thank you

It's a busy time of year for FOSM. The team work incredibly hard for our school. The recent disco was a huge success, and they are preparing for the Summer Fair on the 29<sup>th</sup> June. We wanted to say thank you to all who support us in whatever capacity. 😊 😊 😊

## DBS Certificates

If you have recently been issued with a DBS certificate, please make sure you bring it into the school office so we can take down the details and update our records. Thank you!

# WALK TO SCHOOL WEEK 2019

# JOIN US 20-24 MAY

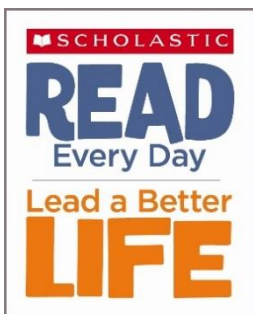

## Cleaner Air Project – We've won!

We've been working with around 20 schools and Hampshire County Council this year to see how we can improve the air quality in our locality. Specifically, our eco-committee and JRSOs have been thinking about solutions. They submitted an action plan as part of the project, and we're pleased to say their plan was chosen above the 20 schools! The children will enjoy a session of 'donutting' in the near future. Well done! We'll share more details about the project soon.

As you may be aware, our Junior Road Safety Officers and Eco Committee have joined forces and have been working together over the past few months on our Cleaner Air Campaign. The aim of the campaign is to improve air quality and reduce traffic congestion. One of the main concerns that has arisen is the amount of traffic around school at drop off and pick up times and the impact that this has on our air quality. With this in mind, next week is Walk To School Week so there's no better time to think about leaving that car behind and walking for all or maybe some of your journey if possible. We all know that walking has many health benefits- it is good for general well-being and is a great opportunity to spend time talking to our children and noticing and admiring things in our natural environment. We also know that by walking we are reducing the amount of emissions we are putting into the air and making our environment a healthier place.

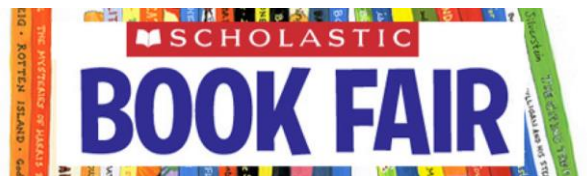

## The Book Fair is coming to school again!

Next week from **Wednesday 22nd May until Friday 24th May**, you will be able to come to the school Book Fair and peruse and choose books at either lunchtime or after school (3.20pm-4pm). There will be hundreds of exciting titles to choose from and the leaflet that your child will be bringing home this week shows a small selection of the titles that are available for purchase.

Your child can bring money into school to buy a book independently at lunch time- we suggest bringing the money in a named purse or envelope which your child should hand to their teacher for safe keeping.

Every book purchased helps the school as we get rewards from the sales which helps stock our libraries. We are so grateful for all the support you have given us in the past and hope that we have another successful book fair this summer.

### Anvil Tickets

If your child is taking part in Basingstoke Primary Music Festival event at the anvil in June, then don't forget to book your tickets ASAP! Tickets typically sell out quite quickly, and we wouldn't want you to be caught out. Visit the Anvil website.

### Cello Lessons

We have a few spaces for cello lessons next year. If your child would be interested then please let the office know ASAP.
