

**Can you help us improve our raised beds and willow area?**

On Sunday 10<sup>th</sup> December at 9:30am, volunteers from Hatch Warren Nature Group are spending the morning improving our grounds. They would really appreciate some help.

Children welcome if supervised by parents. Wear old clothes and bring gloves, trowels or secateurs if you have them.

Thank you!

*(apologies for an earlier incorrect date of Sat 9<sup>th</sup>).*
