Reading

• Decoding:
  – Phonics
  – Visual memory
  – Picture cues
  – Meaning and context cues

Your brain is so powerful, that it can read sentences with mixed up words as long as the first and last letters are in the right place. This is because the human mind does not read every letter by itself, but the word as a whole.
Reading at home

• Decoding yes but also...
  – Enjoying books together
  – Understanding and experience
  – Fluidity
  – Expression
  – Opinions

• High frequency words
English—I can write a fantasy adventure story.

One sunny day I saw a wooden door. When I opened the door and I saw a May flower land. When I was walking down the hill when I got to the bottom a small ball rolled to me.

I got stuck in it and supper wrapper got me out. Me and supper wrapper was hungry to gather and dinner to gather.
What is Book Club? (BC)

- Book Club is a series of daily activities designed to support your children’s progress in reading, writing and speaking and listening.

Growth Mindsets & Talk Partners
It sounds like a lot of hard work...

But we still want your children to have fun!
Please visit your child’s classroom to look around and see examples of the resources your child will use in Year 1 and to ask any questions you may have.

Thank you!
