Reading
Please encourage your child to read at home five times a week. They need to record this in their Home Learning Logs which will be signed by their class teacher weekly. Please also sign these weekly at home.

PE
- Monday and Wednesday - Catch-up swimming for some children
- Monday - Games
- Thursday - Dance

Please provide your child with both indoor and outdoor PE kit on a Monday to stay in school all week. Please also provide earring tape for children who cannot take their earrings out and hair ties for those with long hair.

Reminders:
As we are heading towards the hot, summer weather, it is essential that the children have access to water. Please ensure your child has a bottle with them every day that is clearly named.

Please remember:
If, for whatever reason, your child is unable to attend school, please remember that simple activities can be done at home to keep your child’s skills sharp and continue their enjoyment of learning; for example: reading a variety of stories and poems, keeping a diary, learning and practising times tables and researching topic information.

Year 5 Newsletter - Summer Term 2018

We hope you all had a very enjoyable Easter break and the children are feeling refresh and ready for their final term!

The Spring Term was jam-packed and we enjoyed learning about the Ancient Greeks and then exploring Europe too.

We are looking forward to another busy and successful term with two new exciting topics: Butter Fingers and The Winner Takes it All. The children will be needing a shoe box each for creating moving toys this half term. Please send one in with your child over the next few weeks.

Miss H. Cox      Mrs S. Arrol      Mrs G. Stone      Mrs S. Happy
(5C)                    (5P)                    (5P)                    (5H)
