Do you enjoy reading? Do you want to inspire children to read exciting stories and books? Then St Mark's CE Primary School needs YOU!

We are looking for parent helpers to offer their time to come and read with our children on a regular basis. This year we are really focusing on the love of reading as we know that reading with an adult can enhance a child's love of vocabulary, stories and their own writing.

If you can offer even just an hour a week to read alongside a few children we would love to hear from you. Please just complete the slip below to let us know your availability and we will be in touch to get you started with a little bit of training and then with some eager children ready to see books come alive!
