News Update – Monday 1st July 2019

A message from Mr Applegate

Our choir, orchestra and dancers were amazing last week as they performed at the Anvil over two nights. I was so proud to see our children display their talents and passions! Well done to you all. A thanks goes to all of our wonderful adults involved. It wouldn't happen without your time and dedication.

Thank you for helping to make our FOSM Summer Fun day a huge success. Despite the heat, it was really well attended, and had a great atmosphere. Some people got rather wet! Thank you so much to Nikki Fisher and the whole FOSM team for their huge efforts in making the event happen, and also to our volunteers and staff for running the stalls; it's great to see our community come together to put on such an enjoyable day.

As mentioned in previous newsletters, this Friday is our Move Up day. The children will be spending a good hour in their new classes. They will find out about their new teacher and classroom in the morning, have a quick break, and then do some activities in their new class. We've found this to be really successful in the past; the children get to know their teacher and the children in their class, and realise that actually it's all going to be ok. It really decreases the anxiety for the children. Parents have found it helpful, too! Year 6 children who aren't at their new secondary school will remain with us, and our new Year R children are coming in for a visit. A busy morning! We will be writing to parents on Monday with a letter for staffing for September, so that you are able to see the big picture – and find out who is leaving and joining St Mark's.

On Tuesday, Immanuel Church have their licensing service for Rev May Barker, who joins the church as the new vicar. As a school, we were actively involved in the interview process, and will also be present at the service as our choir are singing. Please do welcome Rev May as she joins our school community, too.

We continue our theme of 'changing the world, too. Our focus is on how we can all do our bit, and that together we can make a big difference. It's so powerful!

Have a great week. Mr Applegate ☺

IT Technician Required

VACANCY

Our much-loved IT Technician, Mrs Robinson, is taking early retirement to enjoy life at her leisure. This presents a fantastic opportunity for someone to join our team. We are looking for someone to work for 16 hours/week during term time only. Full training is provided through our IT support company Drift. You don't need to be a super computer techy person! Drift have a great training programme and will support you in the role. You just need to be keen to learn and dedicated, and have an interest in IT. The hours and days are flexible, although must be across 4 days at least. The role involves looking after the IT software and hardware in the school, as well as solving problems. We have Drift technical support on hand, as well as a weekly support visit. Please contact the school office for an application form or email adminoffice@st-markscofe.hants.sch.uk for more information.

Meet the Team! (FOSM) Committee Profile

Claire Emery-

I have two children at St Mark's, currently in Year 3 & Year R. This is my third year on the Committee. When I joined, I was a stay at home mum and as much as I loved it I was looking for something to keep my brain occupied, as well as raise much needed funds for our school. As a bonus, through joining the committee I have met lots of lovely friends.

I help out at all the events we run, and behind the scenes with all the little jobs that need doing. That could be collecting and sorting tombola donations (1-2 hours), wrapping prizes for the lucky dip (1 hour) or making up hampers for the Christmas fair (3 hours). You will also find me at the disco, as the designated first aider. Until recently I was in charge of the cake sale, but as I have now returned to work, I have had to step back as I'm no longer available during the day. That's the beauty of the committee, you only need to take on as much as you can around your other commitments.

I get an enormous sense of achievement knowing the funds we raise goes directly towards making our school a great place to be for all of the children.

Class Attendance

Well done to class 2SB who achieved
100% attendance last week and 4EH
