

## Book Club Task

I can identify similar features in different texts.

We have been enjoying reading 'The Hodgeheg' during our book club sessions in class.

Find a nice quiet space and read to the end of chapter 4. You may want to have a quick look back at the chapters we have already shared together just to remind yourself of what has happened with Max so far!

Answer these questions carefully. You may want to talk through your answers with someone in your family first. It's always useful to share your ideas. Remember that we have been working hard on answering in full sentences, giving as much detail as you can. Think about our pride learning behaviour and use your best handwriting too.

### The Hodgeheg: Chapter 4

1. What other stories have you read about animals?
2. Can you think of any stories like The Hodgeheg, where the life of an animal mixes together with the life of humans?
3. Do you think it's fair that animals get overlooked by humans? Why or why not?
