

English: Friday 20th March

I can write the end of a story and tie up all the loose ends

For today's English work we would like you to finish off the story. This will mean that you need to tie up any loose ends.

Use your plan from Wednesday to bring your version of the story to an end.

Think about some of the following things that happened earlier in the story:

- What happened to Annie and Ernie after Stan left? Did the DAFT Squad come back?
- Where do the piranhas come into the story, what one earth is going to happen with Stan?
- How does he get on with Mr Dostoyevksy and Nitasha?
- Does he meet Gypsy Rose again?
- How are you going to draw Annie and Ernie back in?
- Is there going to be a happy ending?

Always check your writing

- have you repeated anything?
- Have you missed anything out?
- Have you used expanded noun phrases?
e.g. the vicious, grey piranha

If you would like to type your final story to publish it, please do and send it over on the email.
