In school we do different activities to help the children remember the spelling words. Some examples of these are...

Carefully trace over your spelling words. Then make rainbow words by going over each word in coloured pencils.

The children have a go at Look, Say, Cover, Write, Check. We encourage them to think about what the word looks like in books they have read. Does it look right?

3) Spelling sentences

Wednesday 25th March 2020

I can use key words when spelling.

Practise writing out this week's Spelling Sentence in your book. Remember capital letters and full stops.

I went _____ my _____.

_____ is the _____.

It is _____.

We read the spelling sentences out to the children and they have a go at putting the words into the sentence. After we have checked they are spelt correctly, the children have a go at writing the sentences.

I went to my house. Where is the love? It is so full.

You could try...

- painting them
- writing them in chalk
- writing them in sand
- making them out of lego bricks
- making them out of playdough
