# I can use line drawing of a picture.

Today we would like you to have a go at drawing one of the Parisian landmarks that we have talked about in this PowerPoint.

Try and use the three steps we used when we made our North American Maps

1. Outline
2. Colour
3. Fine line (if you have a black pen at home)

Then add some facts around your picture about the landmark.

Then, please do send in a photo to
