

Today we are going to make  
Easter bunnies!

You will need...

Step 1.

Pinch along the edge of your toilet roll to create a teardrop shape. Repeat this with your second roll.

Step 2.

Place your three rolls together to see what it will look like!

Glue a line along your round roll and glue the ears to it. Make sure your three rolls line up at one end.

Step 3.

Put some paint  
on your plate.

Dip your Bunny into the paint and  
have a go at printing it onto your  
paper!

Step 4.

With your pens or pencils, give your bunny some eyes, a mouth, a nose, whiskers and colour in the ears!
