

ANSWERS

Maths Focus: place value, mental and written addition, finding all possibilities

Helpful Hints: work through each possible way through the maze in a logical way, for example starting on the left hand side, changing the direction a little each time

Level 1	Level 2	Level 3
<p>Here is a special 'Addition Maze'. Jessica moves her finger through the maze adding the numbers as she goes. She is deciding which way to go</p>	<p>Here is a special 'Addition Maze'.
