

# RE at Home Easter

The purpose of these activities is to provide your children with a time of reflection and focus in the period leading up to and beyond Easter. You may want to choose just one of the activities or do more than one. This is not RE as we would do it at school, but a resource to support your child's understanding of the Christian celebration of Easter.

You may have a more creative way in which to share the story, please use these, or not as you wish.

Make an **Easter** garden on a plate with your family and put it on display in your house - don't forget to make the cross, the tomb and the cloths from the body of Jesus.

What part of the real **Easter** story does an egg actually represent?

Why are chocolate **Easter** eggs hollow - what does this really link to?

'He is not here; he has risen! 'The Son of Man must be delivered over to the hands of sinners, be crucified and on the third day be raised again.' (Luke Ch24 v6-7)

In your opinion, which school value does this Bible verse link to the best and why?

Make an **Easter** card and give it to someone special.
