This weeks spelling words are...

- out
- what
- that
- when
- little
- people

In school we do different activities to help the children remember the spelling words. Some examples of these are...

1) Rainbow words

We ask the children to go over the words carefully in a colouring pencil. In school they do this with 5 different colours.

27.04.20

Carefully trace over your spelling words. Then make rainbow words by going over each word in coloured pencils.

2) Look, Say, Cover,
Write, Check

The children have a go at Look, Say, Cover, Write, Check. We encourage them to think about what the word looks like in books they have read. Does it look right?

3) Spelling sentences

Monday 27th April 2020

I can use key words when spelling.

Practise writing out this week's Spelling Sentence in your book. Remember capital letters and full stops.

----- is ----- over there?

----- popped a ----- chick.

The ----- asked ----- to go.

We read the spelling sentences out to the children and they have a go at putting the words into the sentence. After we have checked they are spelt correctly, the children have a go at writing the sentences.

What is that over there? Out popped a little chick.
The people asked when to go.

You could try...

- painting them
- writing them in chalk
- writing them in sand
- making them out of lego bricks
- making them out of playdough
