

<i>You can give them to somebody to make them happy.</i>	<i>Picking flowers means bugs can't have them for food.</i>
<i>The flowers die when they are picked.</i>	<i>They look pretty in a vase in your house.</i>

We have thought of some reasons why you should or shouldn't be picking flowers but we have gotten in a little muddle! Can you help by seeing if you can cut and sort our ideas into the table below? Then think of some of your own reasons for and against picking flowers and add them to the table.

<i>Why is it ok to pick flowers?</i> ✓	<i>Why is it not ok to pick flowers?</i> ✗

When you are done, decide if you think picking flowers is good and explain why.
