

Look at these flowers.

Do you know what any of them are called?

## Flower hunt

Today we are going to have a go at spotting lots of different flowers! When on your daily walk, have a look around. How many different flowers can you spot? You could also have a look in your garden and see how many different flowers are there. Maybe you could take some photos of the flowers you find.

Have a look at the plant and flower hunt. They will be on the website for you to look at. If you wanted you could take this with you on your walk. How many can you spot?
