

# ANSWERS

**Maths Focus:** Mathematical vocabulary, mental and written addition and subtraction, using mathematical symbols and comparing values

**Helpful Hints:** For each question, solve the left hand side and write the value above then solve the right hand side and write in the value above; now you can compare them using your symbols

Level 1	Level 2	Level 3
<p>Isla has some number sentences and is trying to work out which side has the most value.</p> <div style="border: 1px solid black; padding: 5px; margin-bottom: 10px;"> <div style="display: flex; justify-content: space-between;
