

# Geography

Exploring the locality of the school

Look at <https://www.google.co.uk/maps/> and try to find Basingstoke, then Hatch Warren, then our school and then your home.

You could also look at the different routes you could take if you walk to school.

Look for some of the places in the local area. See if you can find these...

# What is special about our local area?

What areas are special to you?

Why are they special to you?

What can you do there?

How do those places make you feel?

Listen to this story using the You-tube link

# Now write about Hatch Warren or your local area

You can write sentences to describe the places and why they are special.

OR

You could write in the same way as the book

(See the next pages for examples)

# Why my area is special to me

I love Beggarwood park because I can play there with my friends and there is a cool maze.

I think the Community Centre is great because I go to afterschool club and we do fun activities.

When it is a sunny day, I love to go to Eastrop park and feed the ducks.

OR

# If you're not from Hatch Warren.....

If you're not from Hatch Warren you can't know Beggarwood Park  
You can't know Beggarwood Park

A great place to play. We go there every day.

If you're not from Hatch Warren. You can't know our park. You don't know our park.

If you're not from Hatch Warren you can't know St. Mark's School  
You can't know our school.

A place where we care for one another and always give our best.

Where our values are our core and we learn and play and more.

If you're not from Hatch Warren. You can't know our school. You don't know our school.
