Dig and Discover Knowledge Organiser

Topic Vocabulary	
Stone Age	The Stone Age is the name given to the earliest period of human culture when stone tools were first used.
Bronze Age	The Bronze Age is the time period when bronze replaced stone as the preferred materials for making tools and weapons.
Iron Age	The Iron Age is the time period when iron became the preferred choice of metal for making tools.
Neolithic	The Neolithic is the youngest part of the Stone Age. The word 'Neolithic' comes from two words in Greek: 'neo', meaning new and 'lithic', meaning 'Stone'. This was also the time that farming was invented and when people started caring for animals, such as cows, sheep and pigs.
Prehistoric	Prehistoric means the time before recorded history.

Things to try at home to support learning...

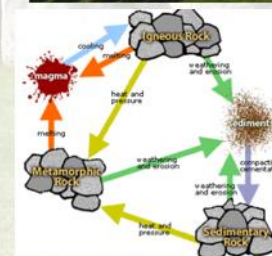

- Go to the beach for a stone hunt.
- Stone hunt in garden/park and compare.
- Build a den using natural resources
- Make a fire with adult supervision.

Important Places

Skara Brae — Skara Brae is a stone-built Neolithic settlement, located on the Bay of Skail on the west coast of Mainland, the largest island in the Orkney archipelago of Scotland.

Stonehenge — A prehistoric monument in Wiltshire, England. It consists of a ring of standing stones, with each standing stone around 13 feet high, 7 feet wide and weighing around 25 tons.

TIMELINE

The word fossil comes from the Latin word 'fossilis', which means 'dug up'.

Rocks that are broken down do not change their structure. A grain of sand is still the same as the rock it came from. Erosion does not change the makeup of the particles.

Rocks have been used by humans for hundreds of years for **WEAPONS** and as **CONSTRUCTION MATERIALS**.

Science Vocabulary	
Rock	A hard, solid material that is made of minerals and is found in nature.
Soil	The top layer of the ground, in which plants grow; dirt.
Fossil	The remains of a plant or animal that turned to stone over a long period of time. Mostly found in sedimentary rock.
Metamorphic rock	Rock formed when any type of rock goes through changed caused by extreme heat and pressure, like marble or slate.
Sedimentary rock	Rock formed when sediment is pressed together over time. Formed over a long period of time, like limestone or sandstone.
Igneous rock	Rock formed by cooling and hardening of hot magma or lava. Formed by volcanoes, like basalt and granite.

English Reading and writing

Read to Write & Write to Read

English

How you can help at home with English

- Reading daily
- Hearing books read to them and answer questions about books
- Spellings – key words
- Spelling shed
- Look at vocabulary in books when reading
- Handwriting – letter formation

Maths

How you can help at home with Maths

-
- Number bonds $7+3$ $17+3$ $170+30$
 - Counting in 2's, 5's, 10's, 3's, 4's and 8's
 - TT Rockstars
 - Numbots (use TT Rockstars login)
 - Tell the time to nearest five minutes

Self isolating? Lessons on Google classroom

Please Read

Self-Isolation Work Introduction

Self-Isolating instructions: Please READ first

Posted 26 Aug

General Information for parents

We have included 10 days of work that needs completing if your child is self-isolating. This is only for children who are well enough to be able to complete work. Please do use as you have previously used google classroom and hand in after completed. Your child's work will be marked by a Year 3 teacher and feedback may give an extra task or piece of work

Self-Isolating: Project/Topic

Instructions for how Project Lessons Work

Top Tips

2.10.20 Weekly Spellings

year3 St Marks • 15:50

Due 9 Oct

Here are your spellings for this week. You should be spending 10 minutes a day completing your spellings.

Test day is 9th October 2020.

- ◆ Print or use google document to go over your spellings = 1RP
- ◆ Practise them on Spelling Shed = 1RP
- ◆ Write them creatively and upload for us to see = 1RP
- ◆ Write them in sentences = 2RP's

Don't forget to upload your work to get your RP's.

25.9.20 Rockstars/ Spelling shed and handwriting

year3 St Marks • 25 Sep (Edited 25 Sep)

Due Today

This week you have three jobs:

1. Practise your spellings daily.
2. Go onto rockstars and practise your times tables - we would like to to focus on 2s, 5s and 10s. Play at least 6 games.
3. Complete handwriting and upload. We have included 3 videos - each session should be about 10 minutes. Remember to stay in the lines and use your handwriting book. Please also use pencil so we can see your neat joins.
