

Friends of St Mark's

2022 Sponsored Readathon

To celebrate the start of the new year we are challenging every child at St Mark's to read every day for 22 days in February! You can read a paragraph a day, a page a day, a chapter or even a whole book, it's completely up to you. The challenge is designed to get children reading and help fundraise for YOUR school.

Just bring your sponsorship form, money and reading log into school (in an envelope with your name and class) by 3pm on **Friday 4th March.**

Cash and cheques accepted, cheques made payable to Friends of St Mark's. Happy reading!
