Dear resident,

A30 Brighton Hill Roundabout Improvements – Piling Works

I am writing to let you know that Hampshire County Council's contractor Milestone Infrastructure will shortly be undertaking works alongside the Brighton Hill Retail Park on the A30 Winchester Road west. These works are required to add support to the embankment next to the retail park, to enable construction of an extra lane on the approach to Brighton Hill Roundabout.

The works require the installation of driven sheet piles which may result in additional noise and vibration. The contractor will be monitoring the noise and vibration levels to ensure these remain within the agreed environmental thresholds.

The works are anticipated to start on Monday 30th May and will continue for a duration of up to three weeks. The works will be confined to normal operational hours between 8:00am and 4:30pm, Monday to Friday.

I would like to take this opportunity to apologise in advance for any disturbance caused. Please note, these are estimated timescales and further notification will be given should there be any significant change to dates.

For more information about the construction of the A30 Brighton Hill Roundabout Improvements please visit:

<https://www.hants.gov.uk/transport/transportchemes/A30brightonhillroundabout>
or alternatively please use the QR code below to access the scheme web page;

Director of Economy, Transport and Environment
Stuart Jarvis BSc DipTP FCIHT MRTPI

Should you have any comments or queries concerning these works or the scheme in general, then please email: major.schemes@hants.gov.uk, quoting 'A30 Brighton Hill Roundabout Improvements' in the subject box.

Yours faithfully,
