

Through **Maths**, we will be practising our counting within 20, both forwards and backwards and become confident at reading and writing these numbers correctly. We will learn about ways of making our numbers within 10 and use different resources and pictures to help us solve problems more independently.

During our **PE** this term, the children will be developing their coordination and balance through gym and outdoor sessions. Please ensure your child is wearing their correct PE kit to school on...**Wednesday (outdoors)**  
**Friday (gym) – please wear shorts under tracksuit bottoms**

In our **RE** learning this term, we will be thinking about rules and exploring how rules are part of the customs and beliefs of the Jewish faith.

Through **Computing**, we will learn about how to use a computer safely; turning it on and off correctly. We will learn to use the keyboard for the typing of simple words and use the mouse to help us create pictures.

In **Science** this term we will be thinking about humans and their senses. We will learn different parts of the body and find out how our senses link to these. We will also be thinking about how to eat healthily.

**Our project,  
Sensational Senses, will  
explore the big  
question,  
'Are senses important  
and how do we use  
them to explore the  
world around us?'**

*Come along and see some of our learning at our Year 1 art outcome event on Wednesday 19<sup>th</sup> October 8.30-8.50am in the small hall.*

During our **PSHE/Heartsmart** this term, we will explore the idea of 'Getting Heartsmart'. We will think about our charters and how rules are used to help us in our learning and how we can work as a team within our class.

In **Art**, the children will be exploring the use of colour through painting. They will learn about primary and secondary colours and learn to mix them. The children will use their knowledge of colour-mixing to create paintings linked to artists such as Matisse and Kandinsky.

In our **Design Technology**, we will be thinking about fruit and vegetables and where they come from. We will use our knowledge to help us design and make our own fruit and vegetable smoothies.

In **English** this term, we will be thinking about our senses and use them to write our own poems about them. We will also look at the stories, 'The Hungry Caterpillar' and 'The Enormous Turnip', where we will explore the texts and learn to retell them in simple words and sentences.

**Reading** will happen through our phonics sessions and 1:1 so please ensure your child's book is in school every day. Please continue to read frequently with your child at home, recording in the home-log book and practise any keywords sent home as it really does help them.
