Fact of the week: The world's longest French fry is 34 inches long!!

Review of The Ivy

On Monday 6th May it was my birthday and me and my Mum went to The Ivy in Winchester. I had some chicken skewers with spicy 'bang bang' peanut sauce for my starter. My Mum had squid. Then I had a cheese burger & chips and my Mum had shepherd's pie. Then we shared a chocolate bombe for pudding. The waitress poured hot caramel sauce over the chocolate dome and it melted a hole to show ice cream and honeycomb inside. I had two (non-alcoholic!) cocktails with boba tea. The bubbles popped in my mouth but I sucked one up the straw too hard and nearly choked! It was really nice food. I recommend it, but special occasion only because it was a lot of money!

Bees!

A large beehive was found near the Year R school! The bees are harmless (if unprovoked) and are really interesting to watch.

Well done to all the parents and children who walked through the swarm so nice & calmly the last couple of days.

Maybe St Marks should start making honey!

Year 6 SATS

Remember to be nice to year 6 next week, they are sitting their SATS!

Recipe of the Week: *Fruit Skewers & Yoghurt Dip*

Fruit of your choice, we suggest -
banana, strawberries, blueberries, apples
For the dip -
100g natural yoghurt & 1 tsp maple syrup

Method: Cut up the bigger fruit like banana & apples, into bite size chunks.

Thread the fruits onto the skewers in any order you like and put to one side.

Mix the yoghurt and syrup (and sprinkle with cinnamon if you like it) Dip the skewers into the yoghurt and enjoy!

Riddle me this....

- * A cowboy rode into town on Friday. He stayed in town for three days and rode out on Friday. How was that possible?
- * What has a face and two hands, but no arms or legs?
- * What goes up and never comes down?
- * What has a thumb and four fingers but is not alive?

Check next week's paper for the answers!
