

# Play Assembly 1

Monday 7<sup>th</sup> July 2025

# PLAY CHARTER

We have the responsibility to make sure everyone enjoys playtimes so we will use our Learning Behaviours

Everyone has the choice of what to play  
We are creative with the objects we have

We share equipment fairly and kindly  
We help people if they need us  
We allow others to join games

We treat others how we like to be treated  
We are kind and listen to each other

We take care of the equipment  
We keep everyone safe by spotting things that might be dangerous

We remember 'no way through isn't true' and solve problems.

# Negotiate

Do we need a time limit on the scooters if there are people waiting?

If yes, how long?

Can you return to go on the scooters again?

# Tidy up time!

Everybody is responsible for tidying away all equipment whether you played with it or not.

We all tidy away together. We have 5 minutes to clear up!

Scooters and bikes back to the shed.

All large loose parts back to their designated area.

Dressing up play items returned to the shed.

Netballs and footballs put back in tubs.

Small world and lego back in boxes and sheds.

Have a good playtime and remember we will .....

Be responsible for positive play

Look after our resources and different play areas

Help Tidy up, everyone is responsible for tidying up

Embrace Opal play and give us ideas of what you would like
