

St Mark's Weekly Learning & Homework - "This week, we'll be...."

Week Beginning: Monday 20th October 2025

Remember, The logins for these are at the back of the green reading logs :)
You may also want to look at the half-termly Agents of Change tasks [here](#).

Year	What we are learning	Homework
Year 1	- In English we will be writing our own version of the traditional story, "The Enormous Turnip". - In maths we are continuing to develop our understanding of addition and subtraction with numbers to 10. - In science, we will make a factsheet to include all the information we have learnt about animals this half term. - In PE we will continue to develop our skipping skills.	- Reading at least four times a week. Numbots: please aim for 20 minutes over the week.
Year 2	- In English, we are writing our recount about our walk around Hatch Warren. - In maths, we will be adding multiples of 10 to two digit numbers! - In geography, we will be thinking about everything we have learnt about human and physical features and creating a map. Thank you for all your continued support and have a fantastic half term when we get there!	- Reading at least four times a week Numbots or TTRSs: please aim for 20 minutes over the week. Spelling shed: please complete the tasks set online.
Year 3	- In English, we will be writing our own fun instruction text about 'How to wash a sabre-tooth tiger'. We will share what we have learnt around organising our writing and using imperative verbs. We will also include fun top tips for our reader. - In maths, we are continuing to add and subtract numbers within 1000. - As part of our history topic, we will finish our week on Thursday with a trip to Butser Ancient Farm where we will become archaeologists and will explore aspects of Stone Age to Iron Age.	- Reading at least four times a week TTRSs: please aim for 20 minutes over the week. Spelling shed: please complete the tasks set online.
Year 4	- In English this week we finish writing our non-chronological reports on the Anglo-Saxons and look at editing this to ensure we have included compound and complex sentences. - In history, we will using all of our knowledge learnt this half term about the Anglo-Saxons. The children will complete an escape room by answering questions correctly. - In maths we continue our addition and subtraction unit. We will be looking at subtracting 4 digits with more than one exchange and thinking about most	- Reading at least four times a week TTRSs: please aim for 30 minutes over the week. Spelling shed: please complete the tasks set online.

	efficient ways of completing calculations.	
Year 5	• In English, we will write our own non-chronological report based on an animal from Pandora. • Our maths learning will focus on multiplying and dividing by 10, 100 and 1,000. • In science, we will bring all of our learning together to create a double page spread showcasing all of our 'Space' knowledge. • Thank you for all of your support this half term!	1. Reading at least four times a week 2. TTRSs: please aim for 30 minutes over the week. 3. Spelling shed: please complete the tasks set online. <i>Weekly SPAG Homework will begin after Christmas</i>
Year 6	• In this final week before half term, we have the excitement of meeting our Year R buddies for the first time. • In English, we will enjoy creating colourful posters advertising trips to Brazil. Rhetorical questions, exclamatory statements and complex sentences with relative clauses will be evident in our written outcomes. • We will solve multi-step problems using all four operations as well as being exposed to the idea of BODMAS/BIDMAS to determine to order of operations.	1. Reading at least four times a week. 2. Spelling shed: please complete the tasks set online. 3. TTRSs: please aim for 30 minutes over the week. CGP Books: English: Poetry pages 2 -7 Maths: Arithmetic pages 17, 18, 19, 20
