

St Mark's Weekly Learning & Homework - "This week, we'll be...."

Week Beginning: Monday 9th March 2026

Remember, The logins for these are at the back of the green reading logs :)

You may also want to look at the half-termly Agents of Change tasks [here](#).

Year	What we are learning	Homework
Year 1	<ul style="list-style-type: none"> In maths we start a unit of work on measurement. We will begin by focussing on length, and using a ruler to measure in cms. In English we will write our own stories based on "The Train Ride". In history we will start to learn about Thornycroft and the vehicles that were built there. In science we will continue to explore and test the properties of different materials. 	<ol style="list-style-type: none"> Reading at least four times a week. Numbots: please aim for 20 minutes over the week.
Year 2	<ul style="list-style-type: none"> In maths we are comparing and ordering length and height, and then moving onto learning about mass and capacity. In PE we are really learning how to use defensive tactics in games. In yoga on Fridays we are learning different poses and how to link them together. In computing we are continuing to learn about coding through a programme called Scratch Jnr. The kids love it! 	<ol style="list-style-type: none"> Reading at least four times a week Numbots or TTRSs: please aim for 20 minutes over the week. Spelling shed: please complete the tasks set online and the spelling sheet sent home.
Year 3	<ul style="list-style-type: none"> In English, we will be planning our independent write based on 'The Incredible Book Eating Boy' but written from the viewpoint of the parents. In maths, we will be positioning fractions on a numberline and learning about equivalent fractions. In science, we will be learning about muscles and how they work. In DT, we will begin to research and design our tapestry. We will also begin learning the songs for our Easter Production. 	<ol style="list-style-type: none"> Reading at least four times a week TTRSs: please aim for 20 minutes over the week. Spelling shed: please complete the tasks set online.
Year 4	<ul style="list-style-type: none"> In maths, we continue our topic on fractions where we will be subtracting a fraction from a whole number and then a mixed number. In DT, we will begin to make our biscuits and design the packaging. We will research how to be a viking to help us with writing our own non chronological report in English. We look forward to beginning our Easter play rehearsals on the stage! 	<ol style="list-style-type: none"> Reading at least four times a week TTRSs: please aim for 30 minutes over the week. Spelling shed: please complete the tasks set online.
Year 5	<ul style="list-style-type: none"> In Maths, we will continue our decimal learning 	<ol style="list-style-type: none"> Reading at least four times a

	<p>exploring rounding to the nearest whole number and tenths.</p> <ul style="list-style-type: none"> ● In English, we will continue our sentence stacking lessons about Nanuk, the polar bear, with a grammar focus on dashes for parenthesis. ● Our Geography learning will explore the question, 'How do climate and weather differ between Basingstoke and Annecy?' 	<p>week</p> <ol style="list-style-type: none"> 2. TTRSs: please aim for 30 minutes over the week. 3. Spelling shed: please complete the tasks set online. <p><i>SPAG Pages: 36, 37 & 38</i> <i>Due: 12.03.26</i></p>
Year 6	<ul style="list-style-type: none"> ● In English, we will continue to uncover more of the story about Pik and the consequences for being rude to the god of rain: Chac. Lots of sentence structures will be explored and grammar work revised within each lesson. ● In maths we continue linking fractions to decimals and percentages. We will find equivalent fractions and compare and order fractions. We end the week by finding percentages of amounts. ● In history we look at the way of life of the Maya and debate whether the Maya were a civilised or a bloodthirsty civilisation. 	<ol style="list-style-type: none"> 1. Reading at least four times a week. 2. Spelling shed: please complete the tasks set online. 3. TTRSs: please aim for 30 minutes over the week. <p>CGP Books: English: Poetry pages 15 - 19 Plus a grammar sheet on different tenses to read and revise regularly. Maths: Number, ratio and algebra pages 5 & 6 plus a sheet to practice calculations involving decimal numbers.</p>
