Questions

Can I do the home challenges in any order?

- Yes!

What happens when my child has done a home challenge?

- Your child will receive an AoC card which they can take home. We keep a record of this in school so we can count how many they've achieved.
- We'll give you a grid to keep your AoC cards on safe at home, so they can all stay in one place.

How do I tell a teacher that a home challenge has been completed?

- A few options. The pupil or parent can tell a teacher, they can bring it in to school, or they can email the year group – you could include a photo if you'd like to.

If I need any resources, can I speak to the teacher about this?

- Yes, and we'll help out as much as we are able to.

When are the bronze, silver and gold badges presented?

- This will happen at the end of the year.

Do they get 6 AoC cards automatically?

- Not quite! Each half-term, the children are working on a project in school regarding being an Agent of Change. When they complete this each half-term, they will get a card.
