Key Question: Anglo-Saxons: the ruin of Britain?

Key Information

The Anglo-Saxon people came from Denmark, The Netherlands and Germany, they settled into 7 Kingdoms across England

The name comes from the two biggest invading tribes - the Angles and the Saxons

The Anglo-Saxons were invited to Britain by King Vortigern to help in the battles with the Picts and Scots

The Anglo-Saxons were originally a pagan group who were very superstitious and had many gods

Many were converted to the Catholic faith by monks sent from Rome

Sutton Hoo is an important archaeological site discovered in 1938 where a burial ship of an Anglo-Saxon king was discovered
