

Welcome to our Year 6 information evening.

Thank you so much for coming along. We will begin at 5:45pm.

The team:

Mrs Chapman

Miss Pettitt

Mr Bonner

Mrs Pearce

Mrs Cullen

Mrs Angell

Mrs Bayat

Mrs Atherton

Mrs Butler

Mrs Wood

Secondary School Application Form

- Online application site opened in **September 2022**
<https://www.hants.gov.uk/educationandlearning/admissions>
- - Deadline for completed forms – **31st October 2022**
- Which school to choose? Attend open evenings/virtual open evenings and keep your options open.
- Filling in more than one choice
- School allocation letter/email **1st March 2022**

Windmill Hill Residential Trip

- **Monday 31st October - Friday 4th November 2023**
- Total cost £270
- Deposit of £45.00 had to be paid by 30th May 2022.
- Balance of £225.00 needs to be paid by February 2023.
- Any amount can be paid weekly/fortnightly/monthly if that helps spread the cost.
- Information evening will be held after tonight's curriculum information.

Bikeability Training

Monday 20th February– Friday 24th February 2023

- £5.00 per child if you think they will be taking part in the full week
- 'Non-riders' don't need to pay – they will stay with Year 6 staff on the playground
- Own bike and helmet - ideally taken home each day. Email us if this will be an issue.
- PE kit all week – jogging bottoms, top and a warm jumper.
- Google Form – confirm ability, let us know if you need a bike or helmet
- Google form and make payment in January.

SATs – (End of KS2 Standard Assessment Tests)

- **Monday 9th May - Thursday 12 May 2023.**
- Information Evening – November (specific date TBC)
- Regular 'mock' assessments using previous SATs papers – first will be taken before half term.
- CGP books for homework – frequent and regular practice of SATs style questions
- Letter sent out about these yesterday - £12 by Monday 1st November please

A Typical SATs Week

KS2 Year 6 SATs Dates - May 2023

Date	Test
Monday 8th May 2023	Grammar & Punctuation test - 45 minutes Spelling Test - 20 minutes
Tuesday 9th May 2023	English Reading Test - 60 minutes
Weds 10th May 2023	Mathematics Arithmetics (Paper 1) - 30 minutes Mathematics Reasoning (Paper 2) - 40 minutes
Thurs 11th May 2023	Mathematics Reasoning (Paper 3) - 40 minutes

RSE
(Relationships
and Sex
Education)

- Taught in the final half term next June/July
- Information evening for parents (to see resources and videos used) will be held a few weeks before.

Homework

- Times tables practice (2x weekly on TT Rockstars is a great way to consolidate learning)
- Spellings (on Google Classroom for home reference)
- Starting this week! Weekly SPAG (sent home on a Tuesday, due in the following Tuesday)
- Weekly maths (sent home on a Friday, due in the following Friday)

Independence
Organisation
Preparation for Secondary

Organisation and responsibility of resources

- Book zippy wallet – reading book and log
 - Coat
 - Water bottle
 - Packed lunch if necessary
 - Phones handed in switched off
 - PE kit worn on Tuesday and Friday
- please adhere to the uniform requirements.

Navy or black bottoms, white plain t-shirts and school jumpers. Trainers for all children

The year to come

Autumn 1 – Olá Brazil!

A focus on Brazil and the Amazon Rainforest

Autumn 2 – Keep Calm and Carry On
World War 2

Spring 1 – Frozen Kingdoms
The Arctic and Antarctica

Spring 2 – Temples of Doom
The Mayans

Summer 1 – Shocks and Sparks!
Electricity and Technology

Summer 2 – From Creation and Beyond
Evolution & our personal journeys ahead

Key Concept: Responsibility and Respect

Geographical Vocabulary	
rainforest	A dense forest, normally found in tropical areas with high rainfall. They generate much of the world's oxygen.
country	A nation with its own government e.g. UK, USA, Germany
continent	The world's main continuous pieces of land - Africa, Asia, Australasia, Europe, North America, South America, Antarctica
equator	Imaginary line through the middle of the Earth that receives the most sunlight.
Tropic of Cancer/Capricorn	Imaginary lines north and south of the equator. Most rainforests can be found between these two lines.
climate	The weather and temperature usually found in an area over a long period of time.
biome	A large region of Earth that has a certain climate and certain types of living things.
temperate	Places where it is neither very hot nor very cold. Usually has warm summers and cool winters.
tropical	Around the middle of the world in the region called the Tropics where it is warm all year.
biodiversity	The wide range of living things on Earth.
ecosystem	A community of plants and animals that rely on each other to survive.
indigenous	A living thing that belongs naturally to an area.
deforestation	The action of clearing a wide area of trees.
human features	Areas of land which are man-made/synthetic. They are there because of human ideas and actions.
physical features	These are the physical characteristics of the land and are there naturally (mountains, rivers etc.)

Key Information about Brazil			
Continent	South America	Capital city	Brasilia
Surrounding waters	Atlantic ocean Amazon river	Main language	Portuguese
Religions followed in Brazil	Christianity, Judaism and Islam.	Population	209.3 million people (2017)
Currency	Brazilian real (BRL)	Other major cities	Sao Paulo, Rio de Janeiro, Porto Alegre, Manaus
		Famous for...	The Amazon jungle, Carnival and 2016 Olympics

Olá Brazil! Knowledge Organiser

Layers and Features of the Rainforest	
Emergent Layer	Giant trees that enjoy the most sun but high winds and cold.
Canopy	Dense layer of trees overlapping each other. Home to most animals in rainforests.
Understory	Relatively dark, open area below the canopy.
Undergrowth	Also known as the forest floor, mainly consisting of fallen leaves, fruit etc. that decomposes as food for trees.
Flora & Fauna	Flora = plants; Fauna = animals
Camouflage	Blending in to hide in the natural environment.

Causes of Deforestation	
1	To clear space for farming: growing crops (e.g. soya beans & palm oil) and space cattle to generate cheap beef.
2	Chopping down trees for wood.
3	To build roads to mine for metals, gold & diamonds.
4	To dig for oil.
5	To flood areas to make dams & generate electricity.

Impact of Deforestation	
1	An area the size of 20 football pitches is destroyed every 60 seconds.
2	1/3 of the tropical rainforests we had are gone.
3	28,000 species of animals are expected to become extinct in the next 25 years.
4	Local people's homes are destroyed.
5	Levels of carbon dioxide in the air are increasing and oxygen is decreasing.

Focus: Responsibility

Being role-models
for the rest of the
school 😊

Year 6 are buddied
up with a child in
Reception class.
