

Maths will continue to happen every day. We will develop our knowledge of numbers to 100 and learn to read and write them correctly. We will continue to practise our counting in 1s, 2s, 5s and 10s within 100 and become confident with quickly making pairs of numbers to all numbers up to 20. We will also be learning to tell time, using an analogue clock and reading them to the hour. Later in the term, we will also use our addition and subtraction knowledge to help us solve problems involving money.

In **Science** we will be developing our knowledge of plants and flowers in our local area. We will be using our school field to help inspire us with flowers and will learn about how they are important to our environment. We will be able to identify some common wild and garden plants. Also to know and label the parts of the plants and flowers.

Our **RE** will explore the concept of Authority. The children will learn about the stories of Jesus calling his disciples and of Jesus walking on water. Through these we will think about how Jesus showed his authority.

This term, Year 1 will explore the big question, 'What would life be like without flowers, plants and trees?'

Key vocabulary

Petal, stem, leaf, leaves, root, flower, plant, seed, shoot, soil, sun, water, stem, light, nutrients, dandelion, daisy, cowslip, clover, grow, survive, alive, observe, tree, plant

Through our **English** we will continue to develop our writing skills using full stops and capital letters correctly. We will also continue to develop our handwriting, making sure all our letters are formed correctly and are appropriately sized. We will be learning about instructional writing, retelling stories and writing a recount about visiting the woods in our school grounds. Reading will happen every day through RWI phonics groups. Please continue to read frequently with your child at home, it really does help them.

Our **Heart Smart** learning this term will focus on 'No way through isn't true'.

We will learn about facing challenges and what we can do when we are stuck.

PE will take place every week. We will be exploring our agility and balance skills and our sending and receiving skills. Please ensure your child wears suitable PE clothing for the weather and they bring a sunhat with them.

In **DT** we will be learning about structures, where we will explore designing and making our own simple windmills.

In **Computing** we will learn about simple data handling. We will develop our mouse and keyboard skills to help us navigate a computer. We will also use the computer to build pictograms and tally charts about data that we have collected.

In **Music**, we will be learning about the sounds of the sea. We will learn to create different sound effects with our voices and a range of instruments.
