

## Our FOSM Christmas Fair is *this Saturday!* **30<sup>th</sup> November, 11am-2pm**

Our plans for the Christmas Fayre are well underway; there will be stalls selling various Christmas themed goodies, games to play, crafts to make and visits to Santa! In preparation of this we are asking Parents/Carers for their generous support and if you are having a clear out before Christmas and are happy to donate them, please could we have **good condition unwanted children books, toys** or adult books. We will be collecting your donations on **Friday 29<sup>th</sup> November 2019**. Please bring them in to the school office.

### World Kindness Day

On Wednesday 13<sup>th</sup> November we celebrated World Kindness Day by becoming Secret Kindness Agents. It was a fantastic day and the children all enjoyed their secret missions. Here are some things that were said about the day:

"It has been really good fun. I gave a nice smile to my person and when she asked me to do my funniest face I did." Jackson Year 1

"It's been really exciting. I played with my person when I don't normally. We both played with my other friends. It made me feel really happy." Bethany Y2

"It was quite hard at first as I was torn between playing with my friends and showing my person kindness. In the end I encouraged them in their learning and picked up their pencil and ruler when they dropped it. It made me feel happy that I had helped that person. I would definitely like to do it again" Harry Year 3

"It's been a nice day as everyone is being really kind. I've been sent a lovely card which made me feel warm inside and I felt special." Poppy Year 4

"I got a special note which made me feel included and not left out. I was happy and know I've got friends I can trust." Lexie Year 4

"It was difficult at times as my person was on the other side of the classroom so I had to be creative about how I was going to show them kindness. I was able to help her put all the dictionaries away and I felt relieved I could show kindness. I've seen lots of people being kind to each other today." Daniel Year 5

"It's been really good. I asked my person if his pencil needed sharpening and was also able to collect his books. I was so proud to be kind especially as I hadn't really spoken to him this year. We just hadn't had a proper conversation before today. I've seen so much kindness around like people giving out books and there have been so many smiles. It would be great to do it again. Keeley Year 6

Thank you to all the children and staff who took part. Let's continue to be kind!

## We're excited to be running our St Mark's Careers Fair again!

We are putting on the fair because we want our children to:

- be inspired by what people do in both business and charity work
- become aware of the range of jobs available in life, including running your own business or working for companies and organisations
- begin to think about what they might like to do
- see how what we do in school prepares them for later on in life

## What will it look like?

During the mornings of **Tuesday 4th and Wednesday 5th February**, our hall will be transformed into a careers fair. The children will be visiting the different stands, talking to the adults from the various business and organisations on show. Parents are welcome to tour the stands with their children (time slots will be announced soon, but it will be no later than 11:30am). Some stands will have practical demonstrations and even freebies!

Leading up to the careers fair, children will be thinking about the world of work. The careers fair will then be a great opportunity to liaise with adults in the world of work. The careers fair is for children in Years 2, 3, 4, 5, 6.

## We need your help!

**Would your business or organisation be able to run a stand on either or both of the days of the career fair?**

Perhaps you work for a large or small company, run a business, work in the private or public sector, or are retired from a profession. Perhaps it's a charity or NGO. We would love for you to run a stall at our fair. We will supply a table and chairs, and electric points can be made available for a laptop or equipment. You are able to bring vertical banners, hands-on activities, leaflets and freebies, and can have one or more adults to help run the stall. We'll even provide refreshments. Remember, the purpose is to inspire pupils and engage with them in thinking about their aspirations.
