A message from Mr Applegate

Thank you to Rev May who led our Remembrance Service last week. I firmly believe we must never forget the sacrifices that have been made, and continue to be made, for us.

On our INSET day, we spent time reshaping our curriculum so that it really fits our vision for education, and of course the needs of our children. If you haven’t done so, see the latest ‘knowledge organisers’ on our front webpage.

This week, several of our Raising Hope and Christian Voice Ambassadors take a special trip to Winchester to talk about injustice in our world.

Our Christmas performances are soon to begin. After each performance, we’ll have a collection - this will be shared between the Camrose Centre (helping homeless people in Basingstoke) and Raising Hope Foundation, the charity we support in Ghana. Thank you in advance for your generosity.

We’re excited to be running our St Mark’s Careers Fair again!

We are putting on the fair because we want our children to:

- be inspired by what people do in both business and charity work
- become aware of the range of jobs available in life, including running your own business or working for companies and organisations
- begin to think about what they might like to do
- see how what we do in school prepares them for later on in life

What will it look like?

During the mornings of Tuesday 4th and Wednesday 5th February, our hall will be transformed into a careers fair. The children will be visiting the different stands, talking to the adults from the various business and organisations on show. Parents are welcome to tour the stands with their children (time slots will be announced soon, but it will be no later than 11:30am). Some stands will have practical demonstrations and even freebies!

Leading up to the careers fair, children will be thinking about the world of work. The careers fair will then be a great opportunity to liaise with adults in the world of work. The careers fair is for children in Years 2, 3, 4, 5, 6.

We need your help!

Would your business or organisation be able to run a stand on either or both of the days of the career fair? Perhaps you work for a large or small company, run a business, work in the private or public sector, or are retired from a profession. Perhaps it’s a charity or NGO. We would love for you to run a stall at our fair. We will supply a table and chairs, and electric points can be made available for a laptop or equipment. You are able to bring vertical banners, hands-on activities, leaflets and freebies, and can have one or more adults to help run the stall. We’ll even provide refreshments. Remember, the purpose is to inspire pupils and engage with them in thinking about their aspirations.

Well Done!

Last weekend, Riaz travelled to Blackpool to the National Dance Finals, after qualifying in May in 6th place in the whole of the South East.

Riaz competed in “freestyle rock n roll” and was recalled twice, meaning she danced in 3 rounds!!

Riaz is now ranked 14th in the whole of the country for her age group. What an amazing achievement!! Well done Riaz 😊

Packed Lunches

Please could we remind parents that we are a nut free school and no items containing nuts or any chocolate spread should be included in packed lunches. Thank you for your understanding.
